SUMMARY

Passionate Front-End Developer with a strong focus on creating modern, user-friendly websites and applications. with 3 years experience. Skilled in HTML, CSS, JavaScript, and React, I enjoy turning ideas into functional and visually appealing digital experiences. With a good eye for detail and a commitment to clean, responsive design, I aim to build websites that look great on any device. I'm a team player who loves to solve problems and bring creative solutions to life.
